Note from Funutation:

Welcome to Funutation's Tech Camps! Students work in teams, and they will be assigned a team on the first day. This is because in website design, videogame design, robotics design, etc, companies work in teams, and it is important that they can work together.

Funutation will provide a peanut-free snack.

The classroom is a "Kidz Only Zone", no parents allowed. Parents are welcomed to come in on the last day of camp for a demonstration. The time will be announced earlier in the week by your Camp Director. Make sure to bring at least a 1GB thumb drive to save your work on the last day.

What to Bring:

- Completed Participant Information Form & Medication Form (if needed)
- Please dress appropriately for activity.
- Thumb drive, 1GB or greater
